Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be viewed in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Behind the Scenes. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation #4008163.

Physicians (ACCME) Credit Designation

Amedco LLC designates this live/enduring activity for a maximum of 15.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Surgery (ABS) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. **You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS. PLEASE NOTE THAT SUBMISSIONS TO PARS WILL BE PROCESSED MONTHLY.**

Objectives - After Attending This Program You Should Be Able To

1. Assess ways to improve training in order to make sound clinical decisions.
2. Recognize the benefits of effective communication in a multidisciplinary team setting to advance the care of dialysis patients.
3. Analyze the benefits and drawbacks of different dialysis options for patients who need renal replacement.
4. Identify risks and benefits of peritoneal and hemodialysis.
5. Compare traditional and nontraditional approaches for arteriovenous access creation and intervention.
6. Determine how best to make clinical decisions for patients with thoracic central vein obstruction.
7. Identify how best to manage patients with AV fistula aneurysms.
8. Discuss factors that contribute to patient safety during dialysis-access surgery and catheter-based interventions.
9. Evaluate how to best treat a failing AV access.
